

# CHEMICAL SALES DIVISION

## Cleaning – Pickling – Passivation of Stainless Steel

### Cleaning Products:

Enerjex 410  
Enerjex 420  
Enerjex 425  
Enerjex 427  
Enerjex 428LQ  
Enerjex 4CL15e  
Enerjex 520

Stainless Steel Cleaner Xtra  
Light contaminate remover – finger prints etc  
Stainless Steel cleaner  
General Cleaner – TFM  
Light cleaner Alkaline  
Electrolyte for pickling machines  
Alkaline cleaner “Deep Cleaner”

### Passivation Products:

Enerjex 600C4  
Enerjex 610  
Enerjex 630  
Enerjex 655  
Enerjex 699

Citric acid passivator to ASTM A967  
Nitric acid passivation ASTM A380 or A967  
Passivation agent and Desmut for Stainless or Aluminium ASTM A967  
Citric acid buffered ASTM A967  
Heavy De-smutting agent

### Pickling Products:

Enerjex 101  
Enerjex 130 blue  
Enerjex 140 red  
Enerjex 204  
Enerjex 230 blue  
Enerjex 240 red  
Enerjex 301  
Enerjex 230 3Cr12

Pickling paste standard ASTM A380  
Pickling paste – 300 series sheet or plate & 2304 / 2205 ASTM A380  
Pickling paste – extra strong – Higher grades of stainless / Nickle alloys ASTM A380  
Spray pickle gel – Original high fume, colourless ASTM A380  
Spray pickle gel – 300 series sheet or plate & 2101, 2304 / 2205 ASTM A380  
Spray pickle gel extra strong – Higher grades of stainless / Nickle alloys ASTM A380  
Pickling bath solutions – immersion pickling all grades of st/steel ASTM A380  
Ferritic stainless 3Cr12 pickling spray gel ASTM A380

### Miscellaneous:

Enerjex XP2000  
Enerjex 520x  
Enerjex 500  
Enerjex 800  
Enerjex 599

Masking agent  
Neutralizing agent for acid waste  
Neutralizing agent for Alkaline waste  
Electropolishing solution st/steel  
Flocculant agent for effluent neutralization plants
